ClickDimensions Named as a Best Place to Work in Atlanta

ClickDimensions, the Microsoft-certified email marketing and marketing automation solution for Dynamics CRM, was named as one of metro Atlanta's Best Places to Work by the Atlanta Business Chronicle. The awards are based on feedback received through employee surveys.

ATLANTA, GA, 12 September 2014 – At an awards ceremony held this morning at the Georgia World Congress Center, the *Atlanta Business Chronicle* named marketing automation software vendor ClickDimensions as a 2014 Best Place to Work in Atlanta.

“This recognition is particularly meaningful because it is based entirely upon feedback received directly from our employees,” said John Gravely, ClickDimensions’ CEO. “Our employees and our culture have been the backbone of ClickDimensions from day one, and as the company continues to grow, we will continue to foster a workplace environment built on collaboration, innovation and mutual respect.”

The Best Places to Work awards are based on nominations received by the *Atlanta Business Chronicle*. Employees of nominated companies were surveyed by Quantum Workplace, which has been responsible for the scoring of the Best Places to Work for 10 years. More than 18,000 employees completed surveys for the 2014 awards. Quantum then ranks the top 100 employers in three categories: the top five among large employers (501+ employees in the metro Atlanta area), the top 35 among medium employers (101-500 employees), and the top 60 among small employers (10-100 employees). Only employers with at least 10 employees could participate.
